This Privacy Policy is applicable to Soncin Construction ("Company") and sets out our policy on the gathering and use of information on this site ("Site").

There may be links from our Sites to other web sites; note that this Privacy Policy applies only to our Sites and not to web sites of other companies or organizations to which our Sites may be linked. You must check on any linked sites for the privacy policy that applies to that site and/or make any necessary inquiries in respect of that privacy policy with the operator of the linked site. These links to third party websites are provided as a convenience and are for informational purposes only. The Company does not endorse, and is not responsible for, these linked websites.

COLLECTION OF PERSONAL INFORMATION:

When you visit the Site, we do not collect your personal information, except to communicate with you, when you enter your contact information in the "Send us a Message" section.

Our Site does not collect any of your personal data, or IP address, nor do we use cookies (small data files that are downloaded onto your computer when you visit a particular web site. You can disable cookies by turning them off in your browser) to collect personally identifiable information about you. Because we do not collect information about your online activities over time and across third-party websites or online services, there is no need for us to respond to a browser's Do Not Track settings, although we strongly support a consumer's right to set such a preference.

EXCEPTION TO WHEN WE USE YOUR PERSONAL INFORMATION:

When you directly send us a message from our Site, we use your name, and email address to respond and communicate with you.

CHANGES:

We may update this privacy policy from time to time, in order to reflect, for example, changes to our practices or for other operational, legal or regulatory reasons.

ACCEPTANCE OF OUR PRIVACY POLICY:

By using this Site you signify your acceptance of our Privacy Policy, and you adhere to the terms and conditions posted on the Site.
